**CONFIDENTIALITY**

All confidential matters such as those about student, parent or staff relationships are to be raised directly with the school through the class teacher, the deputy principal or the principal in a confidential manner.

When the matter is discussed in the child’s hearing, it is important that he/she understands that you are sure the issue will be addressed confidentially at the school level. Criticism of the school or teacher does not support your child’s learning and education as it undermines trust and confidence.

Similarly, staff are expected to keep concerns that are raised confidential and must not discuss the issue/s in front of students or other parents.

**Grievance Policy**

Good relationships between home and school give children a better chance of success by fostering respect between people.

From time to time parents may wish to share successes or have concerns about what happens at school.

At St Agnes School we support the right of any member of the school community to have their concerns addressed.

It is important to keep all grievances and concerns confidential.

  - Please do not speak to a classroom teacher about an issue with the class students present.
  - Please do not speak directly to another child
- Let the teacher know what you consider to be the issue – it will always help the situation if you are calm and honest in your approach
- Allow a reasonable timeframe for the issue to be considered
- If the grievance is not resolved tell the teacher you are going to speak with the Deputy or the Principal
- Arrange a time to speak with the Deputy or Principal

- Arrange a time to speak with the person with whom I am having the concern
